The report and export may be found under

**Reports > Compliance > Ryan White HIV/AIDS Services (RSR) Export**

The screenshot shows a web application interface with a navigation menu at the top. The menu includes options like 'Back', 'Home', 'Find', 'New', 'Reports', and 'Shortcuts'. The 'Reports' menu is expanded, showing a path: 'Reports > Compliance > Ryan White HIV/AIDS Services (RSR) Export'. A blue arrow points to this path. Below the menu, there is a list of reports with descriptions. A yellow arrow points to the 'Ryan White HIV/AIDS Services (RSR) Export' link in the list.

All the hard work your agency did for the first half of the year will be sent in an aggregate data set to HRSA. Now you need only complete the remaining steps on the HRSA site from the Inbox. You may submit your efforts at any time before the end of August 2009.

Keep this document handy for January 2010. You will need it again.

Steps to remember:

1. Be sure to Validate your report

ARIES will calculate and aggregate all the client level data, but ARIES will not be able to answer the questions in Section 1 of the RSR. Please fill this out before validating your report.

2. Be sure to submit your report

**Thank you for your efforts  
to comply with these  
HRSA requirements**
